Marcia

Thank you so much for going through my chart with me today. I am excited about my year and this has confirmed my direction of health, spiritual growth, love and adventure. I am going to have fun and enjoy my life for the first time in many, many years. Keep well and continue to be the beautiful person that you are.

Sincerely,
Katherine

Marcia,

For my part, I wish to express gratitude for your extraordinary work. The benefit and support I receive from the energy change is tangible, and very welcome. In truth, it has created an explosion of positive occurrences for me.

I stayed at the office for a while after you and Hans Peter left. It was like a temple. It gave me such long sought energy nourishment I left reluctantly and look forward to returning on Monday. Not many people can say that about their workplace.

Moreover, the time I spent there on Saturday strengthened me such that I was able to deal today with three old, troublesome situations with great ease, success and joy for all concerned. All these situations involve other people. The point is that the re-calibration of energy that you did at my office benefits those who work there and more who do not. What I am trying to say, Marcia, is that your good work has a ripple effect that goes beyond location. It is invisible, but infinite.

I would like to offer you my friendship. If you ever need anything, just ask. If I can be of assistance in any way, just let me know.

Please relay my message to Hans Peter. He was wonderful too.

Thank you also for the references (Virginia and Cathy).

I do not have any questions at the moment, but I will contact you to get the details of the glass fountain manufacturer for the centre of the building.

Thanks again,
Brenda

Thanks Marcia for being such a good friend. You are so wise and successful and I want you to know that you are inspiration!

Christine

MY TESTIMONIALS

Just a heads up, I have the Clearwater Lot in escrow with nonrefundable money. It will close escrow on January 23. So, your insights to bring a buyer WORKED!!! I owe you.

Thanks

Marcia,
I don't know if you remember me, but you came to my husband's law office about two years ago with Kim . I made the changes you suggested to my husband's Law office and wonderful things started to happen.
His law office started to flourish, and he bought into a portion of one of the largest Real Estate Companies. Overall our Income grew.

I transferred into a Business and Operations Manager Position for the newest Arizona State Laboratory which increased my income as well.

Sincerely,
Judy M.

Marcia,
Hi I found your highlighter here at our house but I think Bridget thinks it's hers now just incase you were wondering where it was.
This has been very enlightening for me and it is helping me understand Feng Shui much better. I find your work and knowledge fascinating. You are very inspiring.
This is going to work I know it.

Thank you.
Vanessa

Thank you Marcia, you would not know how much you helping me.

Wish you all the best and many thanks.

MY TESTIMONIALS

Hi Marcia:

I just wanted to take this opportunity to say that I thoroughly enjoyed your courses on Feng Shui I & II this past weekend and I look forward to future courses with you.

Yours in Feng Shui

Don

Hi Marcia,

It's me Christine, I took feng shui I&2 with you on March 5,6,and 7th.You'll be happy to know I have been very busy working on my home and office, I love it! We have noticed a big difference with all the changes, everyone has benefited , I have been working on this since I left your course..lol I really loved the course, I love having you as my teacher, you gave me a lot to think about and added so much to my Reiki practice. I practice dowsing everyday and started reading about quantum healing, you have opened my eyes to so many possibilities, I have been blessed with wonderful teachers in this life and you had an impact on my life. I moved my office like you suggested, at first I met a lot of resistance from my husband but now you'd think all this was his idea, he loves our home, he just raves on and on about how nice the house is. His health is improving, he is happier and feels more energetic. He is a believes in the feng shui because it's something tangible.

Marcia, thanks so much for your wonderful insights with regard to Feng Shui. Following are the changes we have completed from your recommendations. My Office - I purchased ALL new office furniture and move the location of my desk.

This change has allowed my office to have a completely different feel, (ALL for the better). Vacant Lot - With regard to the hill side lot. This lot is in escrow to be purchased in January 2004. I followed your advice on how to bring a buyer and in short it worked. Plus, since this property entered escrow we have received 5 different business opportunities to reinvest this money.

Our Home - we also made some major changes in our home from your recommendation and we feel these changes have help our over all health. We both sleep better and feel more productive.

We can not thank you enough!
